

# CAPABILITIES STATEMENT

Anchor Construction Corporation is one of the Mid-Atlantic Region’s most respected and leading self-performing utility and infrastructure firms, delivering superior solutions for public agencies, utilities and businesses east and west of the Chesapeake Bay (throughout MD, VA, DE and DC). Anchor employs over 450 professionals.

## THE ANCHOR WAY

Anchor creates partnerships that produce innovative, cost-effective and quality construction projects that exceed our customers’ expectations—in a safe environment.

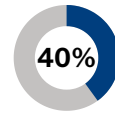

## CORE VALUES

Safety, integrity, quality and teamwork are at the core of everything we do—every shift, every day.

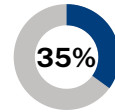

## FINANCIAL STABILITY

With no operational long-term debt, Anchor’s strong balance sheet offers customers and partners the assurance that their projects will be completed on time and on budget.

## CORE CAPABILITIES

**Dry Utilities**

**Wet Utilities**

**Green Infrastructure**

**Bridges/Paving/Concrete**

## A KEY DIFFERENTIATOR

Anchor’s highly-trained professionals are solving challenges every day. With 45-plus crews, Anchor is the Mid-Atlantic Region’s self-performing leader—a key differentiator for customers.

## CBE CERTIFIED

Anchor is classified as a Certified Business Enterprise (CBE) contractor in DC.
